

## vision – strategy - alliance

Valor Solutions Group LLC is a full service Management & Staffing, General Contracting Construction, and Professional Consulting & Training firm that specializes in all aspects of federal, state, environmental, residential, commercial and industrial contracting.

**UNITED achievements through  
guided leadership and inspired vision.**

The firm at VALOR excels at providing its clients with exceptional value based products and services in project managerial leadership, solutions for facilities & personnel support, and professional contracting consulting services in both the private and public sectors.

As a CVE certified Service Disabled Veteran Owned Small Business (SDVOSB) VALOR maintains a federal contracting presence by bidding, procuring, and performing federally funded projects from entities such as the Department of Defense, Veterans Administration, and United States Army Corps of Engineers.

Project examples include: manpower planning initiatives, recruiting, staffing, process improvement, technical directives upgrades & installations, consulting leadership training, construction, environmental remediation, sustainable best practice advisement, and contract negotiation & administration.

A United Force for Service Opportunity: 1-855-TO VALOR

### Damon Ploger, Founder & CEO

Mr. Ploger founded VALOR Solutions Group as a Service Disabled Veteran Owned Small Business (SDVOSB). VALOR was created to facilitate work in both government and commercial contracting. A for-profit company that focuses on professional project performance while in keeping with the client's premise and expectations. VALOR's clients benefit from Mr. Ploger's tenure as a leader, process manager, and technical consultant. They gain effective results from his cost management and manpower efficiency techniques.

### The Company

VALOR Solutions Group offers professional project leadership and consulting & training services to commercial business and government entities. With over 40 years of combined experience, VALOR is well qualified for: *public works, commercial and government contracting, construction/demolition services, environmental management and remediation services, sustainability advisement, transportation, waste disposal and performance & leadership training.*

*"I wish to extend my enthusiastic appreciation for the Valor Project Management Team. Marine Corps Air Station Iwakuni is in the midst of executing an 8-year \$4.5 Billion construction program and the Valor Team provided invaluable training and team building without interrupting our fast-paced operations."*

E. B. Cutshall, Director, DPRI IPMO, Marine Corps Air Station Iwakuni, Japan
